Dear Sir/Madam,

23.04.2025

Greetings from Chennai Pain and Palliative Care (CPPC).

At the outset, we would like to introduce ourselves as a non-Profit Organisation dedicated to providing **End of Life care** through support **Care, Comfort and Compassion** to the terminally ill and patients with life limiting disease. As part of our ongoing efforts to enhance our support and extension of the geographical areas covered, we are seeking financial support to us to continue making a meaningful impact.

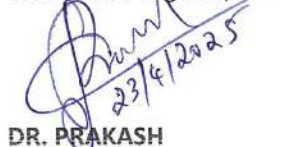

Since our **founding in 2014**, we have been committed to improving the Quality of Life by improving health care in underserved communities, providing Palliative care and Hospice care support to patients with Life threatening disease and Life limiting disease. Our work has touched the lives of more than **Five Thousand** individuals.

We are currently focusing our efforts on providing Medical assistance, Medical aid such as Walker, Wheel chair, Oxygen concentrator, Hospital cot, bed, air bed etc. To achieve these goals, we need your help. We are hoping to raise these funds through kind hearted philanthropists. These funds will go directly towards the operational cost of the project viz., purchase of medicines, medical aid, salary of staff and building rent etc. Specifically, your donation will help us achieve the key goals and vision of our organisation.

We discussed about this with **Mr. BINU JOSEPH** born on 21.10.1975, and he is our regular donor. We have requested Mr. BINU JOSEPH to collect some funds on behalf of Chennai Pain and Palliative Care (CPPC).

Therefore, by supporting our work, you will be helping us to achieve the key goals and vision of **CHENNAI PAIN AND PALLIATIVE CARE**.

With warm regards,

23/4/2025

DR. PRAKASH

General Secretary, CPPC.
